To whom it may concern:

This letter serves as a declaration for Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment ("RoHS Directive"). We declare that all part numbers supplied by GARR TOOL are compliant with RoHS Directive 2011/65/EU and do not contain more than the maximum allowable concentration values of the materials listed in the RoHS 2 Directive. We also declare that all part numbers supplied by GARR TOOL do not contain more than the maximum allowable concentration values of the materials listed in the RoHS 3 Directive (EU) 2015/863.

Regards,

Jeffrey C. Leppien
